Report on

Student Induction Program 2023-24

Introduction:

The Student Induction Program was conducted at Late B.S. Arts, Prof. N.G. Science and A.G. Commerce College, Sakharkherda in four days from 25th July 2023 to 28th July 2023. The primary goal of this program was to welcome and familiarize new students with the campus, academic resources, and co-curricular opportunities. The program aimed to ease their transition into the institution and create a positive and inclusive learning environment.

Objectives:

1. Introduce the new students to the campus facilities, including academic buildings, library, indoor sports stadium and administrative offices.
2. Orient the students to the institution's policies, rules, and regulations.
3. Provide information on the available academic programs, majors, course and subject selections.
4. Familiarize students with the various student clubs, organizations, and extracurricular activities.
5. Facilitate interactions and networking between new students, faculty members and current students.

Program Highlights:

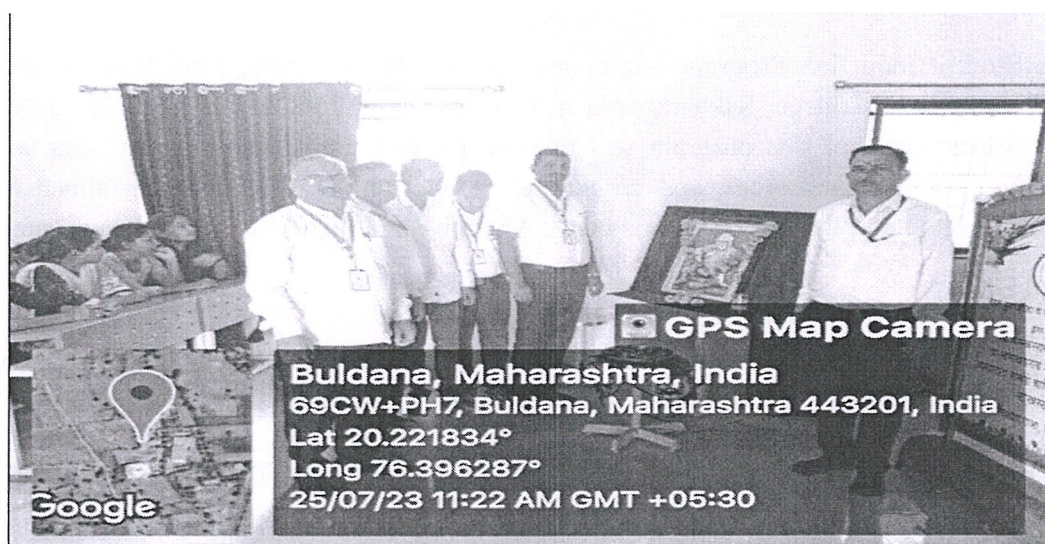

Date 25th July 2023

1. **Welcome Address:** The Induction Program began with the welcome addresses from the institution's senior faculty members.. These addresses emphasized the importance of the Induction program and the support available to students throughout their academic journey.

The program commenced with a warm welcome address by the anchor Dr. S. S. Gawai. He extended a heartfelt welcome to all the dignitaries, special guests, faculty members, staff, and students present at the event.

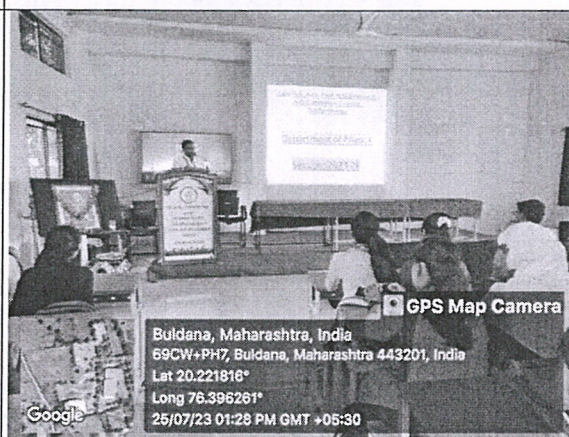

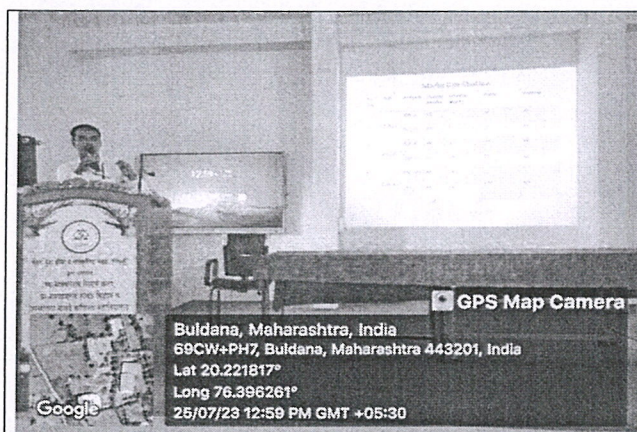

The chief guest Dr. R.P. Zanke, HOD History, shared his insights, experiences to motivate the students and the audience. He also delivered the message of the Principal Dr.Nilesh N. Gawande to inspire and energize the newcomers containing the words of wisdom. Dr.S.R.Dutonde, Dr.P.R.Gaikwad, Dr.G.D.Kakde, Dr.R.P.Kitke and Prof. S.R. Gawai were also present on the dias to share their valuable thoughts.

2. Departmental Visit and Teacher Presentation: Responsibility of students was given to teachers to introduce students to their specific departments. These teachers guided them in selecting the subjects, understanding graduation requirements, and developing a personalized academic plan.

The laboratories of the college were well equipped catering to various needs of the disciplines such as botany, zoology, chemistry and physics. These facilities allow students to conduct hands-on experiments and gain practical knowledge. The Arts and Commerce students visited their respective departments and every department's presentation was given by the respective professors.

3. **Library Visit:** The students of science, arts and commerce visited library separately and became familiar with the book-shelves. The college library visit was a resounding success as it achieved its objectives of introducing students to the library's resources, promoting research and learning, and enhancing information literacy skills. The students left the library with a deeper appreciation for its role in their academic journey. The experience was a significant step towards fostering a culture of research and inquiry among the student community. The college administration is encouraged to continue organizing such visits and invest further in expanding the library's resources and services to support students' academic growth.

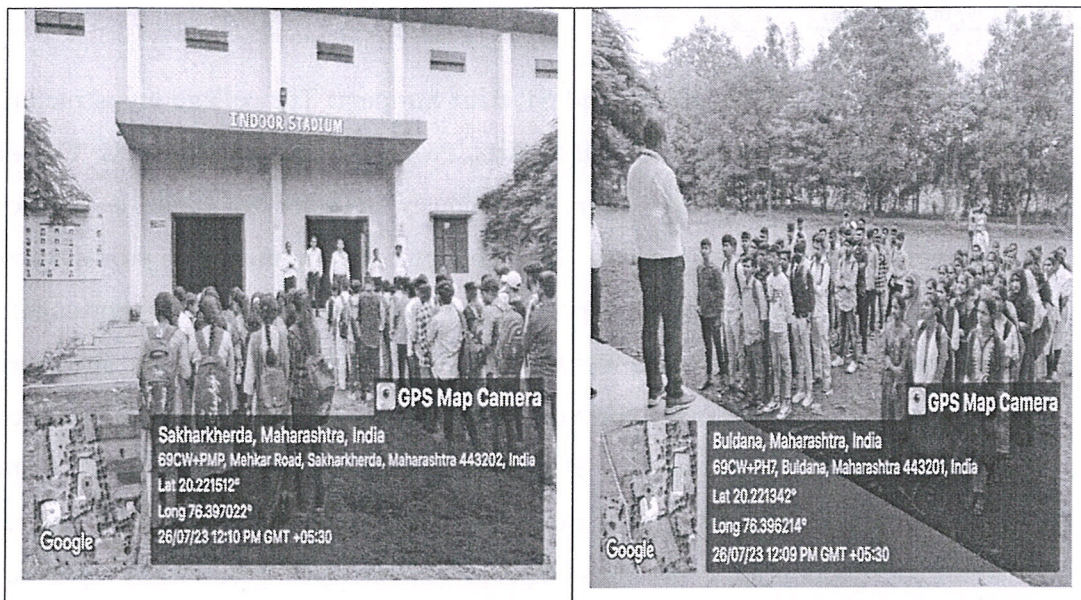

Date 26th July 2023

1. **About College Infrastructure and Student Support:** The college infrastructure and student support services at Late B.S. Arts, Prof. N.G. Science and A.G. Commerce College, Sakharkherda have been meticulously designed to create a holistic and enriching learning environment. The college's commitment to provide modern infrastructure, ample support services, and a diverse range of opportunities for personal and academic growth was shown to the students to know their importance in college life. These efforts contribute to the overall success and well-being of the student community, making Late B.S. Arts, Prof. N.G. Science and A.G. Commerce College, Sakharkherda an excellent institution for higher education. Recommendations for continuous improvement included periodically updating the infrastructure and expanding student support initiatives based on the evolving needs and expectations of the student population.

2. **Sports and Indoor Stadium Visit:** The college encourages physical well-being and provides extensive sports facilities. Institute's playgrounds, indoor sports areas, and well-maintained sports equipments are visited by the students under the guidance of Physical teacher Prof. A.G. Barde , to cater to students' diverse interests. They were advised to take part in various games and sports and were assured that the required facilities would be provided if asked for them.

3. **University Exam System:** The University Exam System remains a crucial component of higher education, especially for the rural colleges like ours. For the same Dr. G.D. Kakde explained the complete system of the University Exam, serving to academic progress. He threw light on how the university exam are challenging, continuous efforts are required for enhancement. Students are told about the various assessment methods, practical and internal marks system and how support would be provided to the students for conducting fairer, more effective, and comprehensive exam system. By doing so our college could better prepare the students for success in their academic and professional endeavors.

4. **Internal Assessment System:** The Internal Assessment System represents a progressive approach to educational evaluation, focusing on comprehensive student development. When effectively implemented, it empowers students to become lifelong learners, nurtures their skills, and prepares them for future challenges. By addressing challenges and leveraging technology, institutions can fully harness the potential of the Internal Assessment System to benefit both educators and students alike.

Date 27th July 2023

1. **About NSS:** The National Service Scheme activities in our college have been instrumental in instilling a sense of social responsibility and empathy among the students. Through various initiatives, the NSS unit has been making a significant impact on the lives of many individuals and contributed positively to society. The NSS Program Officer DR.R.V.Popalghat stated the same importance of social work and urged the students to take part in the scheme, especially the NSS Camp. We look forward to continuing our efforts in the upcoming academic year to create a more compassionate and sustainable world, he said.

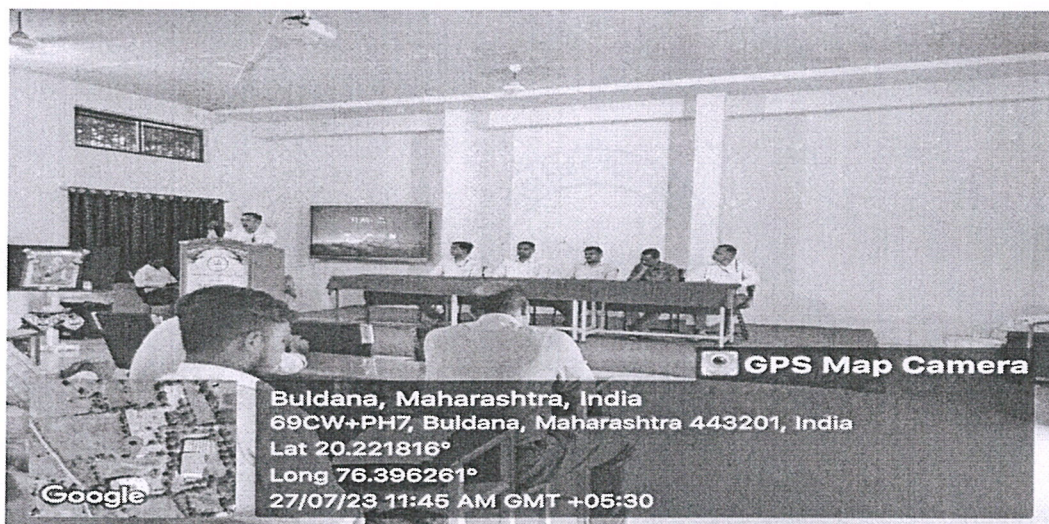

2. **Student Grievance, Sexual Harassment and Anti-Ragging:** Addressing student grievances, sexual harassment, and anti-ragging issues is of utmost importance for the college community's well-being. Dr. P.R.Gaikwad addressed the students with reference to the issue of Anti Ragging and Dr. S.R.Dutonde Spoke on the Sexual Harassment and Student Grievance. The committee members of the same were introduced to the students. The students were asked to provide their suggestions and recommendations to foster a safe and inclusive environment, promoting holistic growth and development among students, faculty, and staff. Regular evaluations and improvements in the preventive measures would be essential to ensure a continuous secure and supportive atmosphere within the college premises, added DR.R.P.Zanke. Prof.S.G.Sagane madam and Prof. Dwivedi were also present on the dias.

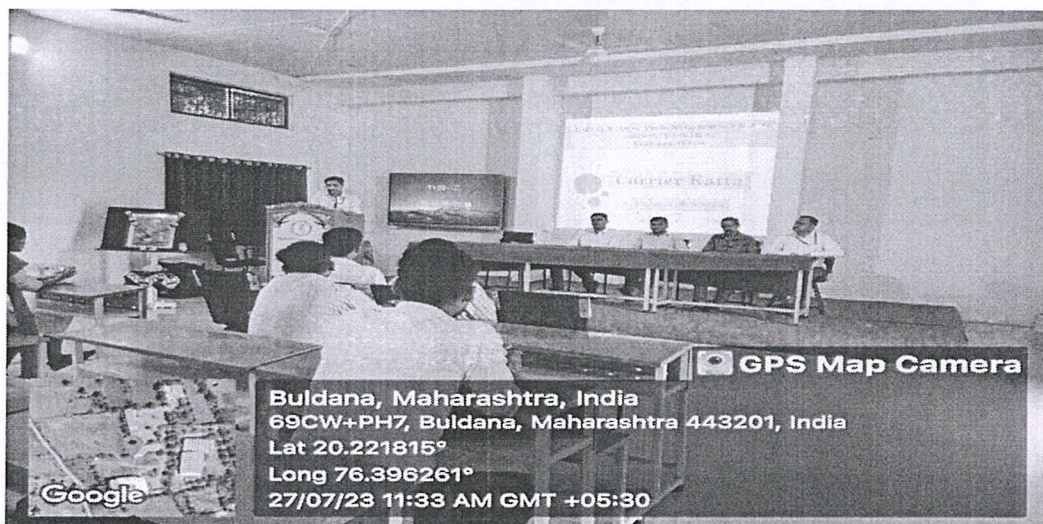

3. **Student Welfare, Cultural and College Magazine:** The Student Welfare, Cultural, and College Magazine of Late B.S. Arts, Prof. N.G. Science and A.G. Commerce College, Sakharkherda contributed significantly to the overall development and well-being of its students. DR.S.S.Gawai commented that these initiatives foster a supportive environment that encourages creativity, diversity, and active participation in cultural events and academic pursuits. By emphasizing student welfare, promoting cultural awareness, and facilitating creative expression through the college magazine, named Muktarang college continued to provide a holistic and enriching college experience for its students. Prof.S.R.Gawai suggested students to participate in these initiatives.

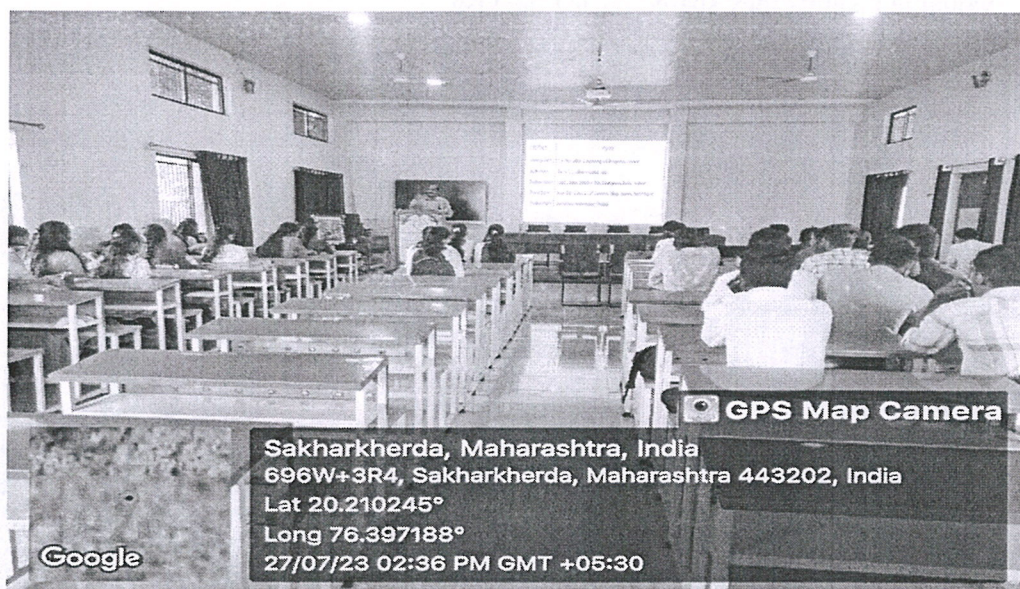

4. **Career katta:** Dr.N.P.Tale informed the students about all Career centered programs every year organized by college. He further added that the college had a dedicated career counseling center that always assisted students in taking decisions about their career paths. Campus Placement & Industry Interaction Committee would organize seminars, guest lectures, and job fairs to connect students with potential employers and students need to be always in touch with them.

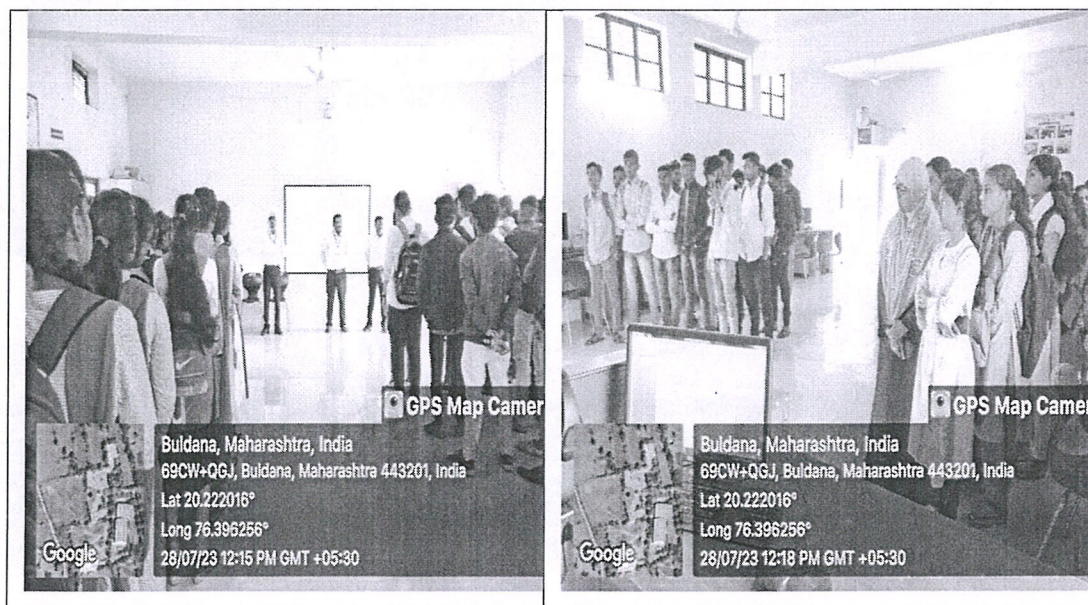

5. **Avishkar:** The participating in Avishkar Competition at Late B.S. Arts, Prof. N.G. Science and A.G. Commerce College, proved to be a resounding success, showcasing the immense talent and potential of the students. Prof. S.R.Nagmote mentioned that the event served as a platform for fostering innovation, encouraging research, and promoting interdisciplinary collaboration. Avishkar has become an integral part of the college's culture, inspiring future generations of students to pursue excellence in science and technology.

By providing a stimulating environment for creativity and critical thinking, Avishkar continued to contribute to the growth and development of both the students and the institution as a whole. He announced that the college looked forward to organize Avishkar competition in the coming years, building on its success and striving for even greater achievements in the realm of innovation and research.

Date 28th July 2023

- 1. Computer Lab Visit :** On the first session of the last day student visited the computer lab at Late B.S. Arts, Prof. N.G. Science and A.G. Commerce College. Prof.S.R.Gawai was successful in achieving its objectives of familiarizing students with the lab's facilities, providing hands-on experience, and emphasizing the importance of responsible use of technology. The visit served as an excellent opportunity for students to explore the computer lab's resources, which would undoubtedly benefit them in their academic endeavors. Professors hoped that such initiatives would continue to bridge the gap between theoretical knowledge and practical application, enabling our students to thrive in their educational journey. Students expressed their gratitude to the lab staff for their cooperation and the valuable insights they shared during the visit.

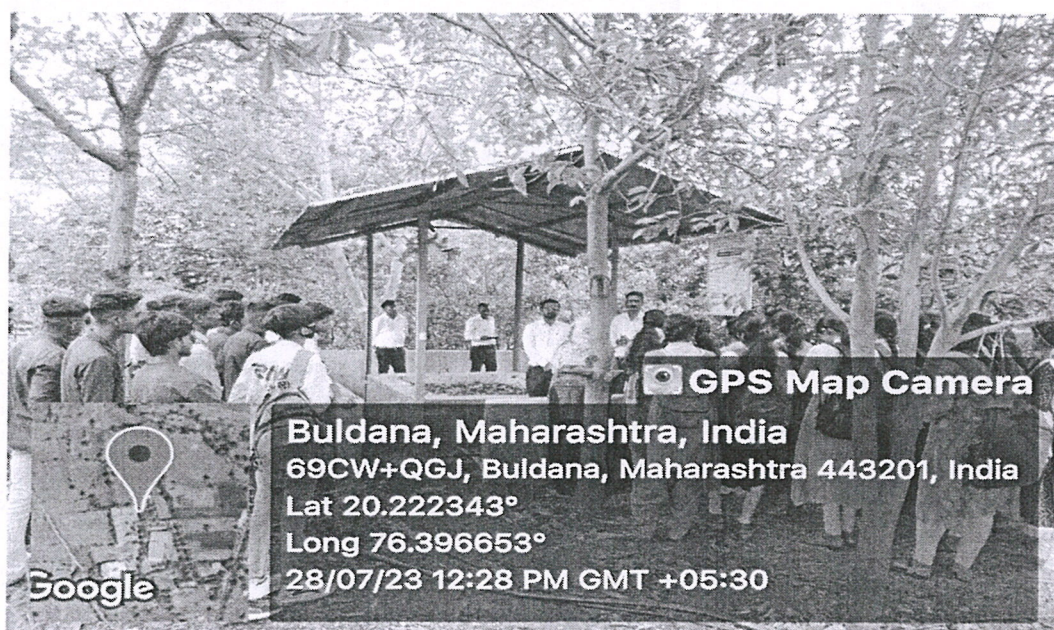

- 2. Office Visit:** The students were taken on a guided tour of the college office premises. They were shown the different departments, including admissions, student affairs, finance, and academic affairs sections. The staff explained the functions and roles of each department, shedding light on the essential tasks involved in college administration. Dr.N.P.Tale took the efforts to guide the students.

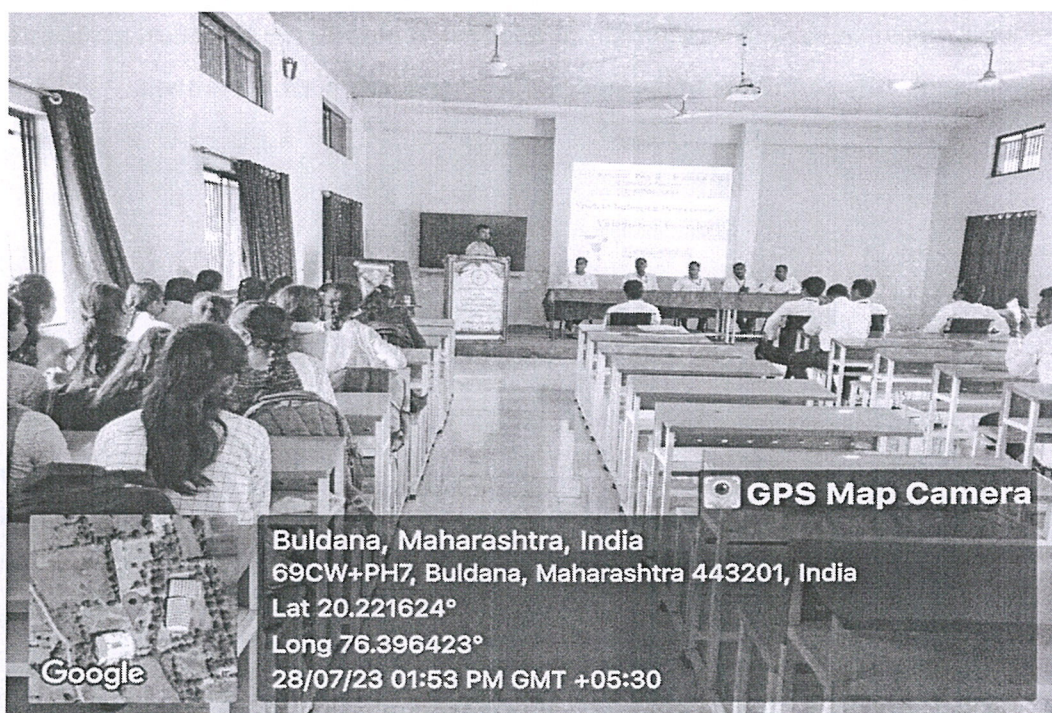

3. **Botanical Garden Visit:** The student visit to the College Botanical Garden was a highly successful and educational experience. It provided an excellent opportunity for students to connect with nature, learn about ecological principles, and witness the significance of conservation efforts. The college is grateful to the Prof.A.D.Padwal for organizing a well-structured and informative visit to the Botanical garden that will undoubtedly contribute to the students' academic and personal growth.

4. **Valedictory Function:** The Student Induction Program's Valedictory Function at Late B.S. Arts, Prof. N.G. Science and A.G. Commerce College was a grand success, leaving a lasting impression on all those students who attended. The event provided an ideal platform for the newcomers to bid farewell to their induction phase and step into the next phase of their academic journey with enthusiasm and confidence. With such a vibrant start, the college looked forward to witness the accomplishments and growth of these new students in the years to come.

DR.S.R.Dutonde was the Chief orator to advice the students. The Valedictory Function concluded with a heartfelt vote of thanks delivered by Dr.C.S.Khodre. He expressed gratitude to everyone who contributed to the success of the Student Induction Program and the Valedictory Function. He thanked the Principal, faculty mentors, senior students, and the new students themselves for their active participation. Special thanks were extended to the organizing committee members Prof.N.K.Misal, DR.A.B.Ghukse and Prof. N.G.Chatarkar for taking efforts to make the program successful.

Internal Exam Cell: A Policy

Late B.S. Arts, Prof. N.G. Sci. & A.G. Comm. College, Sakharkherda .The Primary responsibility of the committee is conduct unit tests and other internal evaluation and publish the result on time. The Committee has a structure which includes co ordinator, and other members to control over the exam system. All the notifications issued by the University are kept in order in order to ready reference. The syllabus for the various programme also kept for the reference. The Committee prepares time tables for the test exam and publishes it three days before the commencement of exam. The committee monitors the Attendance of the students who attempts test exam and submit assignments. The list of invigilator are prepared before hand, however internal adjustment could be done.

The seating arrangement of student for the test exam is done by the office staff. Dealing with question paper is to be highly confidential. Teacher are asked to prepare the question paper for the test exam paper before hand and kept in the Examination cell. All the cases of grievances and malpractices are discussed in the regular meeting and necessary communication is made to the university. The evaluation of the test exam is made within the time and result is convey to the students on the notice board. Students can approach to the Grievance committee if they wish to. The subject teacher after the evaluation answer sheets are made available to the students which help for the transparent evaluation.

The college conducts one test in each semester. The committee papers the time table before hand collects question papers from the teacher before hand and make a necessary arrangement to conduct the test exam. After the evaluation the result is displayed on the notice board for the transparency purpose. The records of Answer sheets for the last three years are maintained in the cell.

The internal assessment is monitor on the parameters such as class test, unit test, Assignments, quizzes, group discussion, regular attendance in the class, seminar ,Project, field visit, Industrial visit ,viva voce, wall Paper, Projects etc. The Internal Exam Committee in a way observes overall activity of the students to grade them. It helps for the smooth function of the education system. It helps for the regular guidance to the students on different educational aspects. The student is only centre point for the Committee and his or her progress is a soul aim of the committee.
