Shri Shivaji Science & Arts College, Chikhli –

The college is established in 1967 to serve ever growing educational needs of the society. Bhonde 'Sarkar' and Dalitmitra Santoshrao Patil along with other socio-political leader helped a lot to establish this institution. The farmers also contributed in these holy and sacred tasks. The students of this institution with their exemplary discipline, serious academic extracurricular and co-curricular activities pursuits and excellent support with their teachers have quality to make this institution a name reckon within the academic and other fields.

The institute has practiced a policy of self renewal all along and when the time comes to reinvent itself in the context of changing scenario. It has upgraded itself with the introduction of Arts Faculty at UG level in 1971, Commerce at UG level in 1989 and PG in Commerce in 2009, PG in Science and Arts in 2010. English medium UG commerce has started in 2011. Also added research degrees program like M. Phil. and Ph.D. in Science and Commerce. YCMOU centre is also established in 2012.
