Aim of Mentor mentees Scheme:

The student learning in the college is from small village of this area as the college is situated in rural area. Generally, their economic and educational background is poor. Therefore these students when admitted the first year of B.A. programme hesitate to discuss about their problems with their professor. At the same time professor cannot realize the personality of a student. It becomes difficult to develop the overall personality of student. To overcome this problem our college has decided to form mentor-mentees scheme.

Program of Mentor-mentees Scheme:

5	Mr. S. V.Jaunjal	21
6	Mr. G. D. kakde	21
7	Mr. S. R. Gawai	21
8	Mr. N. G. Chatarkar	22

The mentor takes care of the problem of their mentees during the three year degree programme. The tutor organizes meeting of his mentees. During the meeting, the tutor discusses problems regarding the personal and academic.

Outcomes of the Mentor mentees Scheme:

The mentor gives the suggestions to their mentees to maintain the discipline in our institution. The mentor also tries to solve the academics as well as personal problems faced by mentees and guide them frequently to take proper decisions. Further the tutor inspires his mentees to participate in various academic as well as cultural activities and competitions. Therefore, students freely interact with their mentor. It helps to grow harmony between the mentor and mentees.
